Let us help bring the carnival to all. We are looking for volunteer acts that may be willing to perform to groups who cannot attend carnival day, for example in Care Homes & Fun Days etc. These performances will not occur on carnival day. By agreeing to take part you are confirming you are happy to be contacted, if required, by the carnival committee to discuss your availability and suitability for potential venues.

Please delete as appropriate.

We are willing to take part

Task/Activity/Location/Work Equipment: Carnival Float Activities

PART A:

Hazards identified:	Towing vehicle and float. Over excited or misbehaving persons. Inadequate insurance. Inadequate supervision. Parents acting as supervisors. Weather conditions. Slips, trips and falls. Activities undertaken.	Risk Rating (tick) (without controls in place) HIGH MEDIUM LOW
----------------------------	---	--

PART B:

Who is at risk (tick)	Persons on floats		Children		Others	
	Contractors		Visitors/ Public			

PART C:

	Control measures required to manage health and safety:
1	Please ensure that no person stands between the towing vehicle and the float once the float has started moving in the procession. No one is permitted to get on or off the float while it is in motion.
2	The persons on the float will at all times take note of advice from the driver and or Chaperone.
3	Please advise of medication if required.
4	Please ensure that you have with you a drink and snack.
5	Please advise the participants and helpers to apply sun protection if required prior to the carnival start and provide appropriate attire for the weather.
6	All participants and adults will be sited safely on the float. All will be seated. All persons on the float must remain well within the float and not be seated on the edges

	with legs hanging over the sides. This is to prevent contact with fixed road furniture e.g. trees, road signs, lampposts etc. Persons sitting on the external front and rear seats must wear the safety belts at all times when the float is moving if applicable
7	Adequate protection barriers or straps will be applied to the float sides, front and rear to prevent persons falling from the vehicle. Any float found not having safety protection will not be allowed in the procession.
8	The towing vehicle, float and its surroundings will be a non-smoking area at all times.
9	The towing vehicle should be checked to ensure there is valid MOT, road tax and insurance for this type of activity, and that the driver has a valid driving licence and to ascertain if the driver has undertaken this type of event previously.
10	Adequate supervision at all times. Supervision needs to be on and around the float at all times according to on-going risk assessment.
11	Adequate insurance needs to be obtained for this activity. This is your responsibility.
12	Helpers with children must consist of at least one with CRB clearance.
13	Emergency contact numbers will be provided to the organisers and a contingency plan will be created and made known to all parent helpers.
